## Limited Review Report to the Board of Directors of Aplab Limited

We have reviewed the accompanying statement of unaudited financial results of **Aplab Limited** for the period ended 30<sup>th</sup> June, 2020. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. We also performed procedures in accordance with the SEBI circular CIR/CFD/CMD/144/2019 dated 29<sup>th</sup> March 2019 issued by SEBI under section 33(1) of the SEBI ( Listing Obligations & Disclosure Requirements ) Regulations 2015 (as amended ) to the extent applicable. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

We emphasize and draw attention to the following matters :

- a. The Company has incurred a loss of Rs. 75.44 lakhs during the three months period ending June, 2020. During the quarter, company has recorded prior period service income of Rs. 277.60 lakhs . The Net Worth of the Company at this period ended has continued to remain negative due to carried forward losses of earlier years. This position depicts Company's inability to generate adequate funds to repay all overdue debts with interest, make timely statutory payments, salaries & wages & provide adequate funds for its operations.

- b. The Company has outstanding old statutory dues of TDS, ESIC and separated employees Gratuity and other dues at the period end. Some of the separated employees have filed court cases against the company for recovery of their dues.
- c. During the three months period, for most of the time the company's production facilities and offices had remained closed. We invite attention to Note No. 7 & 8 to the Standalone Financial Results regarding the uncertainties arising out of the outbreak of COVID – 19 pandemic and assessment made by the Management on its business and financials, including valuation of assets, Contractual and Contingent Liabilities for the period ended 30<sup>th</sup> June, 2020. This assessment and the outcome of the pandemic is as made by the Management and is highly dependent on the circumstances as they evolve in the subsequent periods and also they are highly uncertain. Uncertainties about severity and duration of the pandemic may impact reduction in carrying value of these financial assets, the financial position and going concern ability of the Company.

Attention is drawn to the statement regarding the figures for the quarter ended 31<sup>st</sup> March 2020 which are the balancing figures between the audited figures for the full financial year and unpublished unaudited year to date figures upto the third quarter of the previous financial year, which were subject to limited review by us.

Our conclusion is not modified in respect of this matter.
